

PINSEEKERS 6/19

BY: JACK BINDON

Officially Summer is here.... Hurah!

We had a mild morning this Tuesday, 6/19, experiencing the last days of Spring. The golf was quite good and we the Pinseekers were adhering to the "putt everything out" policy. I received a lesson learned when I missed a 12 inch putt on my last hole. The good news was it didn't cost me any big bucks. Those who finished ahead of me in the standings were two strokes better than me so even if I had made the putt it would not have made a difference in the final tally. The lesson learned? Make sure you take your time and LINE UP EVERY PUTT regardless how short.

Now, for the winners:

First place: Gary Holmquist with a net 30.

Second place: a tie between Frank Garcia and John Murphy with net 33s,

Third place: Jack Bindon with a net 35.... (Two strokes back)

Fourth place: Horio Leighton with a net 36.

Our weather will be on again off again but the trend seems to be warmer. Stay hydrated out there even though you are only playing 9 holes. It's good to see so many guys participating.
