

PINSEEKERS REPORT TO VILLAGES GOLF CLUBS

July 2, 2018

1) Annual meeting on May 22, 2018 and election of new officers.

Scott Steele presented a slide show that was very entertaining in the cartoon illustrations of rules infractions. He also gave us a heads up on rules changes coming in the 2019 time frame that might include a 9 hole handicap option in the GHIN system. He also mentioned the potential of consolidation of handicap systems into a WORLD HANDICAP system that would eliminate the GHIN system as we know it as well as several like systems. This to be looked at in the year 2020.

Our Years champion was announced by Frank Garcia, as mentioned above, Phil Robinson came out on top by virtue of the very last Tuesday of competition. Congrats to Phil.

A 9 hole handicap proposal was discussed but ultimately voted down. The Pinsetters also adopted a no gimme rule following the Ladies example.

Election of officers (effective June 1) :

President - David Cook

Vice President - Leighton Horio

Treasurer - Martin Hoek

Secretary - John Bindon

Activities Chair - Dick Frey

Many thanks to Frank Garcia, out-going President, for his two years of faithful service to the Club.

2) Fun Spring Mixer event with the Swingers on May 15 (next one on the calendar for October 16th)

3) Website created for the Pinseekers club: pinseekers.org

4) Frank Garcia noted that the course gets torn up a lot by outside tournament players. He suggests that the Pro Shop should consider having a Starter for each tournament to explain the rules and expectations (e.g. players should fill their divots and fix their ball marks, rules for golf carts, etc.), and maybe have Marshalls for those days to roam the course.
