

Pinseekers Aug 14, 2018

By Jack Bindon

You just can't beat our weather these days. Great for golf and our score are showing it. Listed below are our winners:

- First place, Frank Garcia with a very nice net 32.
- Second place, we have a tie between Tak Okabe and Lee Leonard close behind with net 33s.
- Third place we have a three way tie between Bob Iacopi, Phil Robinson and Richard Petroski with net 34s.
- Fourth place goes to Chris Corpus alone at a net 35.

All of these folks are shooting below net par.... good golf.

Now the bad news. Some very slow play was experienced on hole #14. The rule for lost ball currently is 5 minutes before you must declare it lost. This is going to change soon to only 3 minutes. Be aware of those who are ahead of you as well as those behind you. The pro shop has begun noting the time allotted per hole on our score cards. This is there for a reason, PACE OF PLAY.. If you spend an inordinate amount of time looking for a lost ball you are disrupting the rhythm of the players behind you. Play "ready golf".
