

## PINSEEKERS JULY 9<sup>TH</sup>

By Jack Bindon

Another beautiful day for golf at the Villages. We had 19 players that day, including a new player Jim Quakenbush. Welcome aboard Jim.

A few more players are filtering to the top, including Lee Leonard who has been away for a while. (Smooth swing).

Your winners are:

1<sup>st</sup> place, Jack Bindon with a net 33.

2<sup>nd</sup> place a tie between David Cook and Leighton Horio with net 34s.

3<sup>rd</sup> place, alone at net 35, Larry Chin.

4<sup>th</sup> place we have another tie between Chet Purcell and Lee Leonard with net 36s.

All of our winners are at par or below! Good going guys.

I have recorded all of the gross scores on an ongoing spreadsheet and David Cook will be posting it on our website. Check it out and watch you trends and the trends of others. Are we getting better? Are we staying about the same? Are we getting worse? If the scores are getting higher, why is that..... what needs to be fixed? Work on it Practice, practice!. Our Professional staffers are there to help with needed "adjustments".
